Experience

Phoenix Children's Hospital

Rehab Technician | 2018 – 2020

– Describe something that you accomplished at the job
– It's nice if you can make them short bullet points
– Use numbers and data points whenever possible
– Keep it short and to the point

Personal Trainer (Self-Employed)

Personal Trainer | 2017 – 2020

– Describe something that you accomplished at the job
– It's nice if you can make them short bullet points
– Use numbers and data points whenever possible
– Keep it short and to the point

Projects

Planet Earth

React / Redux / Python

– Describe something that you accomplished at the job
– It's nice if you can make them short bullet points
– Use numbers and data points whenever possible
– Keep it short and to the point

Wunderlist

React / Redux

– Describe something that you accomplished at the job
– It's nice if you can make them short bullet points
– Use numbers and data points whenever possible
– Keep it short and to the point

Secret Cookbook

React / Redux

– Describe something that you accomplished at the job
– It's nice if you can make them short bullet points
– Use numbers and data points whenever possible
– Keep it short and to the point

Education

Lambda School

Followed agile development and Git workflow methods, submitting all projects on time as feature-complete MVPs.

Developed applications using HTML, CSS, JavaScript, React, Redux, Node.js, Express, SQLite3, and Python

Performed regular code reviews and worked collaboratively with full-stack teams. Studied algorithms, data structures, computer architecture, and system design.

Utilized hands-on client and server development, authentication, testing, and deployment.

Skills

HTML / CSS
Javascript
React Js
Redux
Node Js
Express
SQL
Python
